

Above Counter Basin

311A

- **Finish:** Gloss White
- Vitreous China
- One Tap Hole
- With Overflow
- Requires 32mm Waste with Overflow (not included)

Please note:

1. Due to the nature of ceramic products, variations in size and shape do occur. The measurement of the purchased basins **must be checked BEFORE** cutting any countertop. Arto will not be liable for any errors other parties make when cutting countertops.
2. Ceramic Basins and Tops damaged after installation are not covered under warranty.

It is highly recommended an application of sealant at the base of the mixer to ensure a water tight seal.
