

## Above Counter Basin

407E

- **Finish:** Gloss White
- Vitreous China
- No Tap Hole
- No Overflow
- Requires 32mm Waste with No Overflow (not included)

### Please note:

1. Due to the nature of ceramic products, variations in size and shape do occur. The measurement of the purchased basins **must be checked BEFORE** cutting any countertop. Arto will not be liable for any errors other parties make when cutting countertops.
2. Ceramic Basins and Tops damaged after installation are not covered under warranty.

**It is highly recommended an application of sealant at the base of the mixer to ensure a water tight seal.**
